How do I choose *the right instrument* for my child?

WE'RE HERE TO HELP YOU!

## Standard Rental

*Is your child curious about playing a stringed instrument?*

Our standard instrument rentals are designed for those who want to make sure their student has everything he or she needs to be successful but also want to minimize their initial financial commitment.

## Deluxe Rental

*Is your child excited to start learning an instrument?  
Does he or she show musical ability?*

Our deluxe rental provides your child with the best start to this new endeavor. Better materials and workmanship give these instruments a stronger and clearer sound for the motivated player.

## Advanced Rental

*Every parent hopes that their child will excel as an orchestra student.*

Our Advanced Rentals offer unmatched quality for those who want the best rental instrument for their child. These instruments are handmade with the finest materials and workmanship.
